PC COACHES LINCOLN POOL LEAGUE KNOCKOUT RULES & GUIDELINES

KNOCKOUT DRAWS

Knockout competitions will be re-drawn round by round, and all Knockout draws will be posted on the league website: www.lincolnpool.co.uk and on its social media pages. Players and venues may also receive copies of the draw sheets via Email, WhatsApp & Messenger.

Paper copies of the draws will no longer be circulated to venues, except for the 1st rounds only which will be distributed with the league fixture lists prior to the season commencement.

The current Knockout competition rules and guidelines will be supplied with all Knockout rounds as drawn and are available to view and download on the league website. Please always check the league website for the most up to date Knockout draws as byes may be filled & matches changed subject to printing errors or omissions. Closing dates must be strictly adhered to.

ARRANGING MATCHES

Both parties must make contact within 14 days of release dates to arrange matches. If players can't mutually agree a suitable date then the home players must supply 3 match dates, not all can be in the same week or the same nights, and only one can be a weekend. Failure to make contact by either player, or failure to follow the rules and guidelines will result in elimination from competitions.

Please note that just phoning venues and asking for opponents does not constitute contact, please leave contact details, and match dates if home player, in writing, on social media or contact opponents directly. Should either party fail to attend an arranged match the non-offending party can claim the match. (see rule 3)

All Ko rounds up to and including the semi-finals are to be played at the home players venue as drawn.

The home players are responsible for the availability, cost and preparation of the home venue match table.

In all League and Knockout competitions only 7' x 4' tables are permitted to be used for matches.

In the interest of sportsmanship please be tolerant towards players who may work shifts, play on another night or be on holidays during the season, and try to be flexible on dates and times of matches.

No extensions past the closing date will be granted except in very exceptional circumstances only and where all Knockout rules have originally been followed. Extensions will not be granted for longer than 4 days after the closing date, and no players will be granted more than one across all competitions during a season. Requests for extensions cannot and will not be accepted on or after the advertised closing date.

Holidays, non-contact and ignorance of the knockout rules and guidelines are not exceptional circumstances

If both parties claim a match the committee will decide the outcome and may set a date and time on which the match must be played, failure to attend by either party would result in elimination. All claims must be submitted as per match results above.
