

KNOCKOUTS

***** UPDATE *****

In response to a number of enquiries regarding the knockouts the Ko Secretary will be contacting all players still involved in the various competitions over the next couple of weeks to hear your thoughts and views with the intention of playing some outstanding matches where possible.

Any matches played would of course have to adhere to and be dependent on the ever changing current social guidelines regarding social distancing etc. to keep all players safe.

There is plenty of time in which to complete all competitions, and players will not be penalised or forced to play matches should they not feel comfortable or safe to do so at the moment.

The safety of all players and Venue employees is of course our first priority in these uncertain times, so please follow all government guidelines regards social distancing and be respectful of any other measures and guidelines that may be in force at pubs and clubs you may attend.

The Team Knockout competition will remain suspended until further notice.
